EDUCATION

Full stack web development
Masai School
October 2022 - September 2023

Diploma in civil engineering
Government Polytechnic ,
Shahjahanpur
July 2019 - August 2022

Bachelors in Arts
Chhatrapati Shahu Ji Maharaj
University , Kanpur
July 2019 - August 2022

TECHNICAL SKILLS

JavaScript | Node.js | MongoDB |
Express.js | HTML5 | CSS3 | React |
Prompt Engineering

SOFT SKILLS

Teamwork | Adaptability |
Problem Solving

INTERESTS

- drawing cartoon

CERTIFICATIONS

- Prompt Engineer

Pranay Mishra

Node JS Developer

PROFESSIONAL SUMMARY

Dynamic and collaborative Node.js developer skilled in JavaScript, RESTful APIs, and MongoDB. Strong problem-solving capabilities and excellent teamwork abilities enable efficient collaboration with cross-functional teams. Proactive in staying updated with emerging technologies to deliver innovative and scalable backend solutions.

PROJECTS

1. Exodus Travels | ⊕ | 🐙
Nodejs | MongoDB | Expressjs | HTML | CSS | JavaScript | JWT |
- Developed a web application using Node.js, MongoDB, and Express.js
- Implemented search functionality to allow users to compare prices for flights, accommodations, and rental cars
- Utilized JWT for secure user authentication

2. RunFast | ⊕ | 🐙
Nodejs | MongoDB | Expressjs | JavaScript | HTML | CSS
- Played a key role in developing an online retail platform using Node.js, MongoDB, and Express.js
- Implemented features like product sorting, filtering, and cart management
- Collaborated with the team to create a responsive design accessible on all devices

3. The Lucky Shop | ⊕ | 🐙
Reactjs | CSS | JavaScript | Nodejs | MongoDB | ExpressJS | Bootstrap
- Developed a robust e-commerce platform using React, Node.js, MongoDB, and Express.js
- Implemented features like JWT authentication, bcrypt password hashing, and multer for efficient file handling
- Ensured a seamless user experience through a responsive and secure platform
